

A construction site at sunset. In the foreground, a large, weathered, brown concrete block is positioned horizontally. Behind it, a yellow and blue excavator is parked on a dirt surface. To the right of the excavator, there is a large pile of green gravel. In the background, there are various construction materials, a chain-link fence, and a building under a dramatic, cloudy sky with a sunset glow. The text "Economic Activities" is overlaid in white, bold, sans-serif font across the middle of the image.

# Economic Activities

# DEFINITION

Economic activity is all of the tasks undertaken by people to obtain the goods required to meet their needs .

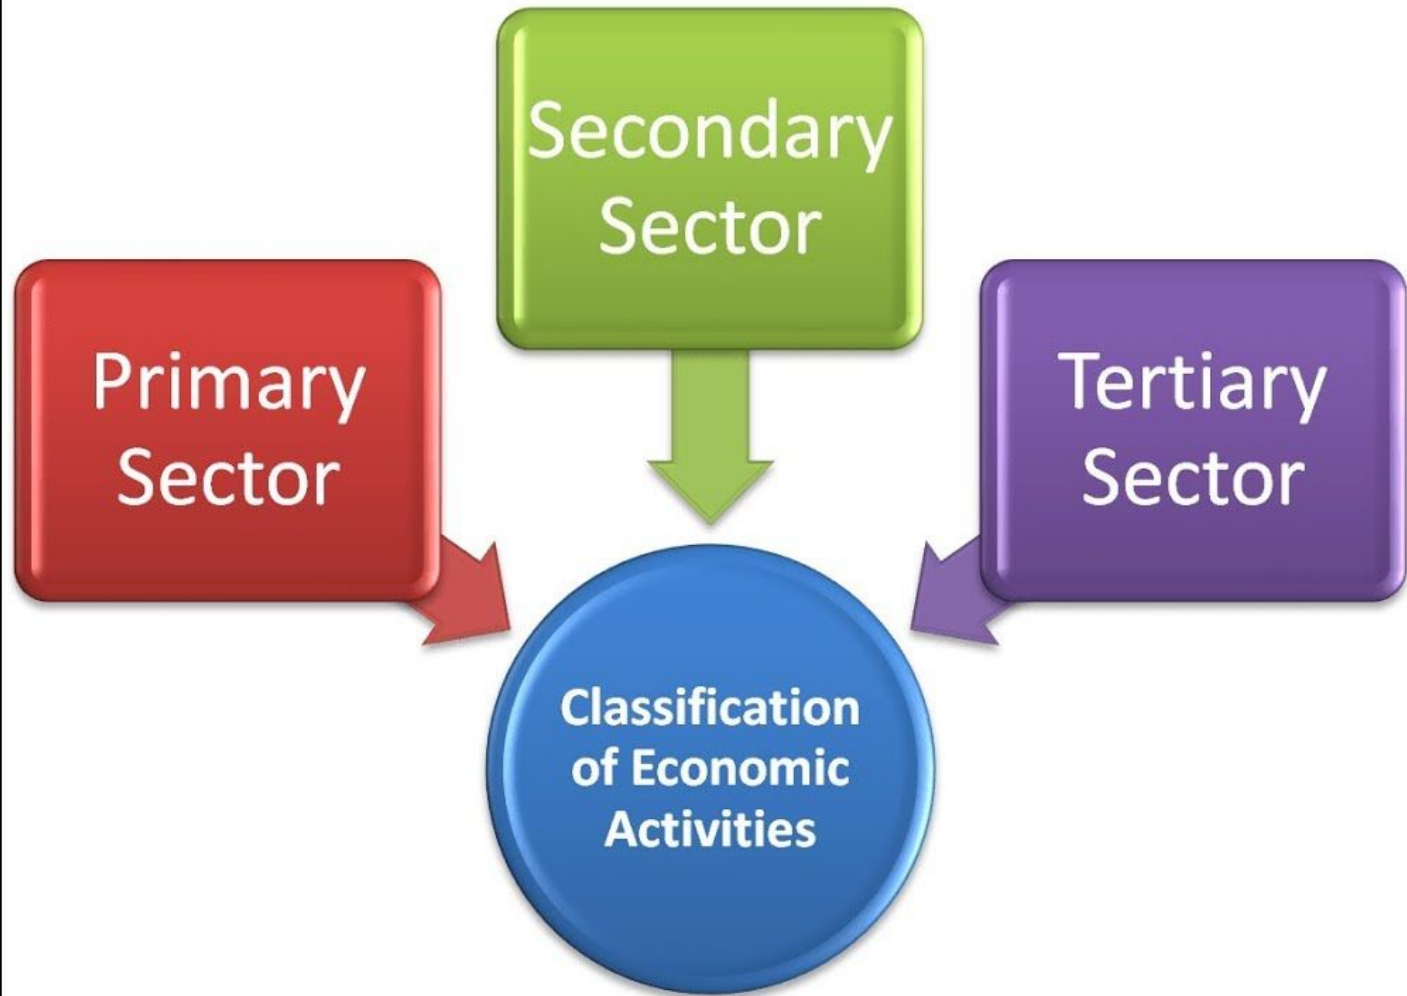

These can be goods or services.

# BASIC 3 COMPONENTS OF ECONOMIC ACTIVITIES

PRODUCTION

DISTRIBUTION

CONSUMPTION

# Sectors of Industry

Although there are hundreds of different jobs or occupations, they can all be classified into 4 categories:

Primary

Working with or the extraction of natural resources e.g. Farming, mining or forestry

Secondary

Making things either by manufacturing or construction e.g Nissan Car manufacturing

Tertiary

This type of industry provides services. These include commercial services (Shops), Professional (Solicitors), Social (School teacher), entertainment (restaurants), Personal (Hairdressers)
